Homework

We expect homework to be completed on a **weekly basis**. Homework will be sent home every **Friday** and should be completed and returned to school by the following **Wednesday**. This schedule allows us time to review and check the completed homework and prepare and add new homework ready to be sent home the following Friday.

Weekly Homework Requirements

Each week, children will usually be expected to complete the following:

- **One handwriting sheet**
- **One spelling sheet**
- **One maths sheet**
- **Reading at least four times per week**

Reading

We encourage all children to develop a **love of reading and to read for pleasure**. While children will have a school reading book, we understand that they may also enjoy reading in other formats.

This might include a book from home or the library, an e-book, a comic, a magazine, an audiobook or another appropriate form of reading that your child enjoys.

We ask that children read **at least four times each week** and that each reading session is recorded in their reading record.

Tailored Homework

Homework may occasionally change depending on any **gaps in learning or areas for development** identified by the class teacher.

How You Can Help

We kindly ask that parents and carers support their child in completing their homework and returning it on time each week.

Thank you for your continued support in your child's learning.
